2024 Exhibit Space Available[†] 53rd MSC Annual Meeting

October 8 - 10, 2024 Hilton Palacio Del Rio San Antonio, TX

The Mulch & Soil Council is growing, and <u>more members</u> <u>means more buying power</u>.

We estimate our members purchase **more than \$200 million in equipment** each year and another **\$60-\$75 million in colorants**.

You probably go to <u>other meetings and exhibits where</u> <u>thousands of people with no actual buying power</u> roam hundreds of competing exhibits.

MSC IS DIFFERENT!

- MSC members are owners, presidents, vice presidents, general managers and plant managers — the exact people you need to know because they ALL have purchasing power!
- 2. MSC members represent the leading mulch and soil production companies in the U.S. with <u>over 50% 65%</u> of the packaged mulch and soil retail market sales.
- 3. AND, your competition is limited because MSC has authorized *ONLY 25 EXHIBIT SPACES in San Antonio*.
- Focused Opportunity: You can meet with members throughout the entire annual meeting, but the exhibit time is 4:30pm 7:00pm on Wednesday, October 9, 2024. Set-up will be prior to reception start and breakdown will be immediately after.
